Hold Annual Outing.
The annual encampment of Mt. Franklin encampment, No. 106, was held Saturday night and Sunday in Camp Cal Canyon. Twenty-five, including members of the encampment and other Odd Fellows, were present. The night was spent in the canyon around camp. A number of tents were pitched, but most of the picnickers slept out in the open.

The encampment will meet tonight for the purpose of laying plans for the annual class of candidates for the degree. At this meeting reports from those who have secured applicants for the degree will report and the date of the meeting for degree work will be set.

A class of 10 candidates will be given the initiatory degree at the meeting of El Paso lodge, No. 254, Independent Order of Odd Fellows, next Monday night.

Reception to Mrs. Blank.

This meeting will be in the nature of an informal supper, and it is hoped to have a large attendance.

New Masonic Lodge.
A new Masonic lodge is being organized among the Masons of El Paso and 10 members have already been secured. There are more than 500 Blue Lodge Masons in El Paso and the movement was started because it was thought that this was too many to meet in one lodge. The new blue lodge will not meet in the Masonic temple, but will hold meetings down town until arrangements are made for having a permanent hall or temple.

El Paso lodge, Knights of Pythias, at the regular meeting Thursday night conferred the rank of esquire upon John C. Harry. Next Thursday the rank of page will be conferred. Frank Pakel. At this meeting a number of new applications for membership will be acted upon.
